## *Perth Daily Tribune*

### **Beneath the Bright Blue Sea**

(2 November)—If you are looking for Sara Nannup, start by checking under the sea. That's where she has captured all the images in her latest book of photography, *Beneath the Bright Blue Sea*.

Ms. Nannup began taking pictures when her father gave her an easy-to-use instant camera for her fifth birthday. When she went to university, however, she put the camera down to pursue a career in print journalism.

After she graduated, Ms. Nannup was hired as a staff writer by the *Perth Daily Tribune* and had little time for taking pictures. That changed when she attended an underwater photography workshop while on vacation in Bali, Indonesia. There her interest in photography was renewed, and she eventually left her job at the newspaper to devote herself to photography full-time.

Although she started with a child's instant camera, Ms. Nannup now works with

advanced underwater cameras. To deal with wear and tear, she updates her equipment every few years. "Salt water and sand pose challenges for underwater photography equipment beyond those that an everyday camera would face," she said.

After years now of diving and taking pictures, she has yet to tire of her profession. "I still love being able to show people images of creatures and places that they have never seen," says Ms. Nannup.

Most of Ms. Nannup's work, including her latest release, focuses on the ocean around Australia. In May, however, she will travel to Greece to photograph underwater ruins in the Mediterranean for her next book.

Visit [www.saranannup.com.au](http://www.saranannup.com.au) for more information on Ms. Nannup and her work.

## **WPI Announces Expansion**

KENTVILLE (March 16)—Westwood Properties, Inc. (WPI), in partnership with the Kentville city government, will be constructing its third residential development in Kentville. The new development, Green Valley Court, will consist of 150 freestanding homes.

Work will begin in April and is expected to be completed in eighteen months. WPI will bear 60 percent of the costs, while the remainder will be borne by the city government.

WPI has built a reputation for providing

comfortable living at affordable prices. Its current residential developments, Hillside Manor and Lakeview Oaks, were built five years ago and are much in demand, with long waiting lists.

According to Helen Hart, a marketing executive for WPI, Green Valley Court will be located twenty minutes from the business district. Ms. Hart went on to say that "Green Valley Court will be ideal for retirees and those longing for some rest and relaxation after a hard day's work."

Dennis:

The heads of accounting and sales have chosen the finalists for the job openings in their departments here at Plumsted Aynes. Susan Tsai would like to invite Marco Garcia and Danielle Jenkins to return for second interviews for the accounting position, and Rajesh Kapoor wants to invite Melanie Yu for a second interview for the medical sales position.

I would like you to call the finalists, schedule interviews with them, and then make lunch arrangements accordingly. Keep in mind that Susan will be out of the office next week for a conference.

Thank you for your assistance with this search so far. I'm especially grateful that you were able to work on a short deadline when I asked you to set up the initial interviews.

Regards,

Nigella Smith  
Human Resources Director

Nigella:

I called the three finalists. As it turns out, this afternoon Melanie Yu accepted a job offer with another pharmaceutical firm—our competitor Granquist. I informed Rajesh about this development and he said he hopes to find a suitable replacement.

I have confirmed an interview for Mr. Garcia on Tuesday, November 20. I also made arrangements with our regular catering company for lunch here. Unfortunately, Ms. Jenkins was recently hospitalized, so I'm leaving any further decision about her interview with you.

**Questions 186-190** refer to the following article, Web page, and online order form.

KELOWNA (2 June)—A new enterprise is revolutionizing mealtime in Kelowna. Fine Fresh Foods is a meal-delivery service that was founded one year ago by Kathryn Mishra. The service allows users to go online and browse hundreds of recipes. They select the recipes they like and have the ingredients, with cooking instructions, shipped to them on a weekly basis.

Ms. Mishra first thought of the idea when she observed her friends' hectic lives. "My friends were too busy to plan, shop, and cook for themselves," she explained. "Most nights they would go to a restaurant and get takeout food. Some wanted to cook at home

in their kitchens but didn't feel confident in their abilities."

Ms. Mishra has found a way to streamline the whole process. Fine Fresh Foods works with local suppliers—often small farms—that are required to be organic. The focus on working with local partners, as well as the convenience and reasonable price of the service, has made the business extremely popular. At the moment, Fine Fresh Foods delivers only within Kelowna, but expansion to other areas is planned in the coming year.

**Pétion-Ville, Haiti: Zaboka Guesthouse**  
Posted by Wilford Gaines on October 7

I stayed at the Zaboka Guesthouse for three nights in April. There are several other hotels in the area, but in my view, this is certainly the nicest option within the price range. The lively courtyard and huge communal kitchen both present a great environment for meeting other guests. That was without a doubt my favorite aspect. If you plan to arrive in the evening, make sure you get the code to enter into the electronic keypad at the door, as the street level entrance is locked after 7 P.M. This isn't something I was made aware of, so I had to wait a short while to be let in. Other than that, I really enjoyed my stay!
