Actual Test 01

Listening TEST

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in the test book.

Part 1

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

Example

Sample Answer

Statement (A), "The woman is speaking into a microphone," is the best description of the picture, so you should select answer (A) and mark it on your answer sheet.

100. What kind of special offer is available to the participants?
(A) Complimentary computer accessories
(B) Free access to a website for a limited time
(C) A free installation of the software
(D) Overnight delivery

Listening TEST

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in the test book.

Part 1

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

Example

Sample Answer

- A
- B
- C
- D

Statement (A), "The woman is speaking into a microphone," is the best description of the picture, so you should select answer (A) and mark it on your answer sheet.

Actual test 05

Listening TEST

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in the test book.

Part 1

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

Example

Sample Answer

Statement (A), "The woman is speaking into a microphone," is the best description of the picture, so you should select answer (A) and mark it on your answer sheet.

Actual Test 07

Listening TEST

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in the test book.

Part 1

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

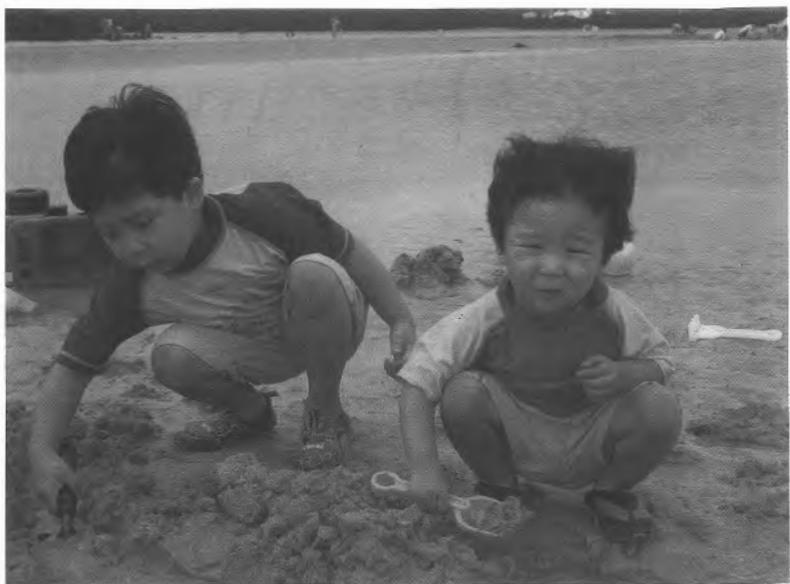

Example

Sample Answer

Statement (A), "The woman is speaking into a microphone," is the best description of the picture, so you should select answer (A) and mark it on your answer sheet.

Listening TEST

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in the test book.

Part 1

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

Example

Sample Answer

Statement (A), "The woman is speaking into a microphone," is the best description of the picture, so you should select answer (A) and mark it on your answer sheet.

Listening TEST

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in the test book.

Part 1

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

Example

Sample Answer

A B C D

Statement (A), "The woman is speaking into a microphone," is the best description of the picture, so you should select answer (A) and mark it on your answer sheet.
